CHILDREN'S BRAIN TUMOR NETWORK

NETWORK MEETING & SCIENTIFIC SUMMIT SPONSORSHIP PACKAGE

**Children's Brain
Tumor Network**
Until every child is cured

OCTOBER 16-17, 2022

CHILDREN'S NATIONAL HOSPITAL
WASHINGTON D.C.

OVERVIEW:

The Children's Brain Tumor Network is a coalition of researchers, clinicians, patients, and foundations from across the globe dedicated to creating a world where no child dies or suffers from a brain tumor. The annual Network Meeting serves as a moment to gather this dedicated group to share research progress, reinforce connections among collaborators, and inspire new partnerships. For the first time since 2019, the meeting will take place in-person, and will include a virtual option, allowing for broader engagement.

AUDIENCE:

175+ researchers, clinicians, students/young investigators, foundation partners, and others interested in accelerating discovery in pediatric brain tumor research

LOCATION:

Children's National Research & Innovation Campus
7144 13th PI NW, Washington, DC

CBTN NETWORK MEETING

Sunday, October 16
10:00 AM-5:00 PM EDT

Representatives from CBTN sites and key stakeholders are invited to attend an all-day meeting to review the current state of CBTN resources and share updates on protocols and processes to promote shared understandings and expectations. The event will also showcase recent contributions and advances by network members and serve as a moment to reaffirm a collective commitment to collaboratively advancing research and discovery in pediatric brain tumors.

Sessions:

- CBTN Current State: Data, Biospecimen, and Models
- Clinical Data Overview and Updates
- Imaging Resources
- Biospecimen Collection: Surgery and Pathology
- Preclinical Models: Methods and Tools
- Molecular Data: Submission and Analysis Tools
- CBTN Future State: Precision Medicine
- Connecting the CCDI Molecular Characterization Initiative

CBTN NETWORK DINNER

5:45-8:30 PM EDT

A network-wide celebration of CBTN's growth and accomplishments, the event will announce and present Impact Awards for research in the following categories: Open Science, Global Collaboration, and Pioneering Spirit, and celebrate foundations who have been core to CBTN's impact.

CBTN SCIENTIFIC SUMMIT

The CBTN Scientific Summit will allow researchers to present scientific research across basic, translational, and data sciences, as well as technologies illustrating advancements in pediatric brain tumor research. Focus panel discussions will be held to stimulate progress in key areas of unmet need in pediatric brain tumor research and clinical translation.

Monday, October 17

Summit Meeting and Panel Discussions

9:00 AM-5:00 PM EDT

- Project Accelerate: Expansion of the Pediatric Brain Tumor Atlas
- Precision Medicine: Challenges, Opportunities, and Advancements
- Pediatric Brain Tumor Multi-modal Data and Analytics
 - DNA, RNA, Single-Cell, DNA Methylation, Proteomics, Imaging, Clinical Data

Poster Session and Cocktail Hour

5:30-7:30 PM EDT

Nearly 300 projects have leveraged CBTN resources to accelerate discovery. Summit participants are invited to learn more about the projects driving advances in pediatric brain tumor research through a poster session showcasing research findings and projects currently underway.

YOUNG INVESTIGATOR TRAVEL SUPPORT

CBTN strives to support the growth and development of investigators who are new to the field and recognizes the benefits of engagement in professional meetings of this kind. For the first time, CBTN has set a goal to provide travel support up to \$2,500/investigator to ensure that cost is not a barrier to meeting attendance. Sponsorship and funding will determine the number of young investigators who can take advantage of this opportunity.

SUPPORT CBTN THROUGH SPONSORSHIP

Sponsorship of the Network Meeting is an effective way to establish visibility and convey your organization's message to this highly engaged audience. Sponsorship repeatedly brings your company's name and brand to the attention of dedicated researchers, clinicians, and patient advocates—the people best positioned to impact the pediatric brain tumor landscape. Grants and donations by sponsors and supporters will help defray operating expenses for the Network Meeting and Scientific Summit and/or support the mission of CBTN throughout the year.
